

## RoHS Certificate of Compliance

June 1, 2007

### European RoHS Hazardous Substance Directive

In February of 2003 the European Union released The Restriction of Hazardous Substances in Electrical and Electronic Equipment (RoHS) Directive (2002/95/EC) restricting the use of Lead, Cadmium, Mercury, Hexavalent Chromium and PBB/PBDE flame retardant materials in electrical and electronic products sold in Europe beginning July 1, 2006

### Smart Vision Lights Comply with RoHS Restrictions

Smart Vision Lights are compliant with all the criteria proposed by the European RoHS Directive 2002/95/EC for hazardous material content in electronic and electrical equipment.
